Letter from the President

Happy New Year!

The Summer Show was a success, and we had a great time competing and experiencing the comradely that comes with attending our event. I would like to thank everyone who had a part in the planning and setup of the 2021 show. It takes hard work and dedication to pull a show like ours off and it wouldn't be able to get done without the many hands that are involved. I'd also like to congratulate our many winners! You all entered wonderful mounts and I hope you continue to challenge yourselves with your entry pieces next year.

Next year's show dates are July 28-30, 2022. We will be returning to the Village Inn Event Center in Clemmons, NC so be sure to lock those dates down on your calendars. The President's Challenge will be the Wood Duck (either drake or hen) so I'm looking at you, Bird Guys and Gals, to bring your best woodies! I'm also challenging you hair and scales taxidermists to give feathers a try. It may be YOUR mount that receives the President's Challenge Award.

I hope everyone had a great hunting and holiday season and am looking forward to get started on the details for your next Summer Show!

God Bless, Sabra Cahoon NCTA President

Information on Upcoming 2023 Surry Show

Hello NCTA,

The Surry Mini Course is coming along good. I have been in contact with NCTA, VTA, SCTA, WVTA, and GTA. I am also going to post it on Taxidermynet.com. I received good responses for information and assistance and was told many times "Whatever I can do to help. Let me know." I have contacted 11 vendors and 7 have already said that they are in. We are planning on spring break in 2023. I feel like if we try it any sooner it will not be as big.

The plans as of now is to start on Thursday with some seminars in the evening and opening the vendor rooms and to start taking in pieces for the show. I am planning on giving 3 or 4 options for the seminars during each seminar slot. If you have any ideas of what you would like to see as a seminar let me know and if you are interested in putting on a seminar let me know also. We are working on the itinerary and the pricing for the show.

I had a couple send me the previous itinerary of 2012 and 2013 and there were some amazing things offered. I am also going to need a team to help me pull this off. Any and all help will be greatly appreciated.

I am going to create a Surry County Mini Course Facebook page and as soon as I get it up and running I will let everyone know.
